What do brides and grooms say about the 3 West Club?

"My wife and I are so glad we chose 3 West Club as our wedding venue. Everything was top notch: the venue was elegant, the food was delicious, and the service was wonderful."

"Guests couldn't stop telling me how delicious the food was...the cocktail hour, the amazing entrées and Viennese dessert table. I don't think it's possible to find a better value in all of Manhattan."
