What do brides and grooms say about the 3 West Club?

"Words cannot express how incredibly happy we were with our wedding that we held at the 3 West Club. Everything was just fabulous. We held our ceremony and cocktail hour in the Solarium and the guests could not get over the amazing view of St. Patrick's Cathedral from the balcony."

"My wife and I are so glad we chose 3 West Club as our wedding venue. Everything was top notch: the venue was elegant, the food was delicious, and the service was wonderful."

"Guests couldn't stop telling me how delicious the food was...the cocktail hour, the amazing entrées and Viennese dessert table. I don't think it's possible to find a better value in all of Manhattan."
